## **LEAGUE RULES**

### **GENERAL**

1. The league is to be administered by the Basildon and District Lawn Bowls Association and is to be called 'The Basildon and District Lawn Bowls League', with all matches being played under Bowls England rules.  
Entrance fees to be fixed annually by the Executive Committee of the Basildon and District Lawn Bowls Association.  
All disputes are to be referred to the Executive Committee of the Basildon and District Lawn Bowls Association whose decision will be final.
2. A player may not allow his or her name to be submitted from more than one club, for league (and/or competition) registration in the same year.  
Any player so doing will be disqualified from all league and competition games.
3. No player will play for more than one team.

4. Teams will consist of nine players, formed into three triples.  
Each team must be of mixed gender to include a minimum of one lady and one man.
5. Matches will consist of eighteen ends of play.  
In exceptional circumstances less than 10 ends may be used to warrant a match, as long as both Captains agree and state the number of ends they intend to play BEFORE the match begins.  
If the agreed number of ends are not completed, the match will be void and will need to be rearranged.
6. The start time for matches in May, August and if necessary September, will be 5.30 pm.  
In June and July the match start time will be 6.00 pm. For games that are played in September, an earlier start time can be agreed by both clubs concerned, if the League Secretary's permission is sought.
7. The League Secretary will provide the Match Secretary of each Club with a template containing the week ending dates for their inter club match.  
The actual match dates will be arranged by the Match Secretaries.

Once agreed, the date on which a match is to be played cannot be altered unless at the time of the match, the green-keeper closes the green, or both captains of the day agree that the weather conditions prevent the game from being started.

The League Secretary shall be informed immediately by the home team of the match, of any arranged or changed match dates that differ from the original fixture formula.  
A breach of this rule will result in the innocent team being 7 points and 30 shots.

8. All matches have to be completed by the second Friday in September. In exceptional circumstances (e.g. due to poor weather) the League Secretary will have the discretion to grant two weeks extension.
9. Clubs with more than one team in the same Division must ensure that the matches between those teams are played by the end of the first week of June.  
Failure to comply with this rule will result in zero points being awarded to both teams for the match/matches concerned.  
Under exceptional circumstances, (e.g. an arranged match being cancelled because of poor weather) the League Secretary will have the discretion to grant two weeks extension.
10. An approved league fixture list is to be submitted by each Club to the League Secretary before the start of the season, together with the name and telephone number of the person in charge (and deputy) of each of their participating teams.

## **MATCH PREPARATION**

11. All match fees to be on a reciprocal basis, or if agreed by both clubs, no charge will be made.
12. Both Captains shall check that both teams meet the mixed gender criteria of **Rule 4**.  
If not the innocent team will be awarded 7 points and 30 shots.
13. In the event of a club not booking sufficient rinks to play a league game, the opposing team will be awarded 7 points and 30 shots.
14. In the event of a team failing to arrive for a match (i.e. 30 minutes after the appointed times of the start) the innocent team will be awarded 7 points and 30 shots, subject to the approval of the League Secretary.
15. If a team is short of players by the agreed start time but there are sufficient players to start two triples, the game must proceed. The team must still meet the criteria of **Rule 4** regarding gender. If the late arriving player(s) reach the green within 30 minutes of the stipulated start time, then the third rink must commence play.  
When a whole match is restricted to two triples, the offending team gives 2 points and 10 shots to the opponent.
16. The members of both teams must have their own club stickers on their bowls.

17. After both Captains have filled in their team names on the rink cards, the two sets of cards will be placed randomly face down in pairs. The nominated rink numbers will then be assigned to each pair of cards by the 'away' captain.  
The winner of a coin toss gets the choice of first mat.

## **MATCH PLAY**

18. Only Skips are permitted to visit the head.
19. The points scoring system will be as follows:  
2 points per winning triple.  
1 point for a draw.  
1 bonus point for the winning team on overall aggregate score.  
If the overall aggregate scores are tied, no bonus point is awarded.
20. If a match has been started but, due to bad weather or some other un-foreseen reason, eighteen ends cannot be played, ten ends must have been completed by all three triples ( or two as in **Rule 15** ) before it can be said to have been played, and all shots at this point count.  
Less than 10 ends can be used to warrant a match as in **Rule 5**.
- If the required number of ends are not completed, the match will be void and will need to be rearranged.
21. If any bowler is unable to complete the match for health reasons, a substitute may be used. The gender of the substitute must ensure that **Rule 4** continues to be met and may not play in the position of Skip. If no substitute is available, the other two rinks shall continue to play and the offending rink will give 2 points and 10 shots, or the actual shot difference at the point of stoppage if that is greater than 10 shots, to the opponent.  
The names of the replaced player and the replacement must be recorded on the match card and signed by both Captains.

## **END OF MATCH**

22. **After the match, the result card must be completed by the home Captain, in rink playing order, clearly showing the players surnames and indicating the gender of players of both teams. Both Captains must sign the card.**  
The completed card must then be electronically forwarded or put in the post to the League Secretary by the home Captain as soon as possible after the match.  
The League Secretary shall compile a list of the players from these result cards, whose names will then become the registered players for that team in the current season.  
In the event of it being found that **Rule 3** has been broken, the League Secretary will advise both Captains that the innocent team will be awarded 30 shots and 7 points and the offending team zero points and zero shots.

## **END OF SEASON**

23. Team positions in a division will be determined based on the final points achieved.  
Should more than one team have the same points, the shots difference will be taken into account.
24. Promotion and relegation between divisions shall be on a basis of two up and two down (i.e. top teams promoted and bottom teams relegated)- see also **Rule 25**.

## **CHANGES TO DIVISIONS**

25. In the event of the need to reset the number of teams in a division, due to a Club dropping a team or teams, the increase per division shall be achieved by the additional promotion of teams from the next lower division.  
Under no circumstances will the increase in numbers prevent the relegation of the bottom teams.

26. In the event of the need to increase the number of divisions in the league, this will be achieved by:  
Promoting the top two teams in each division except the first division.  
Relegating the bottom two teams in each division.  
Equaling out the remainder of the teams according to the position in each division.  
If the number of teams cannot be equally divided between the divisions then the greater number of teams will play in the lower divisions.
27. All new teams entering the league will initially be placed in the lowest division.

## MURRAYFIELD KNOCKOUT TROPHY

- 1a. Competition draw sheets will be circulated to all Match Secretaries before the commencement of the first round. The first name of each tie will be deemed to be the challenger, who must, within five days of the commencement of the round, offer their opponent three dates for play over a minimum period of two weeks, giving three clear days notice. At least two of these dates must be on different days of the week. Saturday and Sunday are not included unless both parties agree to play on these days.
- 1b. The opponent, must within five days of receiving a challenge, accept one of the dates offered or forfeit the tie. If an opponent does not receive a challenge within five days of the commencement of the round, they will then assume the role of the challenger and must offer their opponent two dates of play within a further 3 days. If these dates are not accepted they may claim the tie. If neither club arranges the match within the dates specified, both teams will be disqualified and the tie declared void.
- 1c. The winners in all rounds of the competitions, including games not played (claimed by default) must telephone or e-mail the result to the Competition Secretary within 24 hours of the completion of the match, or telephone the result then post to the Competition Secretary by the closing date of the round. Should the game be played on the penultimate, or last day, the result must be telephoned immediately to the Competition Secretary and the result card e-mailed or posted the same day. Should this procedure not be followed, the winning team may be disqualified. The Competition Secretary will inform all clubs of their next round opponents as soon as they are known.
1. The competition is open to all teams participating in the Basildon League and will be played under League rules.
2. Each team shall comprise of three triples. Each team must be of mixed gender to include a minimum of one lady, or one man. The winner of each match shall be the team that registers the higher aggregate of shots counted over all three triples played over 18 ends. In the event of the scores being equal at the conclusion of 18 ends, an extra end or ends shall be played by all three triples until there is a winning club on all aggregate shots.
3. In the event of a team being a player or players short, the match will be reduced to a two-triple game. For the purposes of calculating the aggregate score, the non-offending team shall be considered to have won the third triple by ten shots and a score of 10-0 shall be entered on the score card. If the shots are then level at 18 ends, an extra end or ends shall be played by the same two rinks, until there is a winning club on aggregate shots. In the event of a team being unable to field sufficient players to form two-triples, that team shall forfeit the tie.
4. For registration and player qualification purposes, each game shall be regarded as a league match: i.e. no player can be selected for a Knock-out match if he/she has previously played in that season for another team in either a league or Knock-Out match. Similarly, having played in the Knock Out disqualifies any player from selection for another team in the league for the rest of the season. The names and genders of all players must be registered on the result card in the same way as for league matches. The minimum age for qualification for all players is 12 years.
5. Any team found to use an unqualified player will automatically be deemed to have lost the tie and their opponents will go through to the next round irrespective of the result of the match.
6. First round opponents shall be decided by a random draw undertaken by the League Competition Secretary, with the first team pairing being the home side. For subsequent rounds, the winner of the first match shall be at home to the winner of the second match, etc.
7. The Competition Secretary shall publish the complete draw and shall circulate copies to all participating clubs indicating the closing date of each round. He/she shall further advise each team before the commencement of each round the name of their opponents stating who is the home team.
8. Semi-Finals shall be played on a neutral green arranged by the Challenger.

## PRESIDENTS TROPHY RULES

- 1a. Competition draw sheets will be circulated to all Match Secretaries before the commencement of the first and subsequent rounds. The first name of each tie will be deemed to be the challenger, who must, within five days of the commencement of the round, offer their opponent three dates for play over a minimum period of two weeks, giving three clear days notice. At least two of these dates must be on different days of the week. Saturday and Sunday are not included unless both parties agree to play on these days.
- 1b. The opponents, must within five days of receiving a challenge, accept one of the dates offered or forfeit the tie. If an opponent does not receive a challenge within five days of the commencement of the round, they will then assume the roles of the challenger and must offer their opponent 2 dates of play within 3 further days. If these dates are not accepted they may claim the tie. If neither club arranges the match within the dates specified, both teams will be disqualified the tie will be declared void.
- 1c. The winners in all rounds of the competitions, including games not played (claimed by default) must telephone or e-mail the result to the appointed Competition Secretary within 24 hours of the completion of the match, or telephone the result then post to that Secretary by the closing date of the round. Should the game be played on the penultimate, or last day, the result must be telephoned immediately to that Competition Secretary and the result card e-mailed the same day. Should this procedure not be followed, the winning team may be disqualified. This Competition Secretary will inform all clubs of their next round opponents as soon as they are known.
2. Each game shall consist of 21 ends (eight players with two bowls each).
3. Each four will consist of two men and two ladies. If this criteria cannot be met the offending team will forfeit the game to their opponents.
4. A list of 'badged' players is required from each club before the start of the season. Only one badged player (be it lady or gent) will be permitted to play in each four and this person must be clearly marked on the score cards. A badged player is classed as 'badged' if it was awarded before the start of the current season. Any team contravening this rule will be disqualified from the competition and the tie will awarded to the opposing team.
5. One four shall play at home and the other four shall play away on the same day and at the same time. At the semi-final stages both fours shall play on the same green (the semi-final being on a neutral green). The winner of each match shall be the team that registers the highest aggregate of shots counted over both games.
6. An extra scoring end shall be played on the challengers green and the score on this additional end will be used only if the aggregate scores are level after 21 ends have been played. At the semi-final and final stage, the clubs shall decide prior to the start of the game the four which will play the extra end, and they shall play against each other throughout the match. No extra end shall be played until both rinks have completed the required number of ends.
7. A club shall have the option of substituting players and of altering the position of the players for the second or succeeding rounds of the competition.
8. In the event of rain stopping a match at one green, the score of the other game will decide the result.
9. Should both games have to be abandoned the score will only count if 10 ends or more have been completed at both venues.
